## Easter Craft Morning and Parents to lunch

Dear Parents,

We are excited to invite you into school to spend the morning with your child doing Easter Crafts and then have lunch. We would ask that you wear a mask when arriving.

We would like to invite NRAL parents in on the **morning of 29<sup>th</sup> March**. We would like you to arrive for **9.30 a.m.** please. Apologies that you may have to drop off and come back. There will be a tea/coffee break at an appropriate time. Unfortunately, due to Covid Health and Safety, we must restrict this to **one adult per child** and unfortunately, we cannot allow any younger children to come along with you. I hope that this will not prevent you from joining us.

The session will finish at **approximately 11 a.m.** You are invited to stay for lunch beyond this should you wish. We would need you to stay in the hall whilst we clear away and set up for lunch. Should your child (Nursery only) normally go home for the afternoon you can still stay but you would have to keep your child with you and pay for both lunches or bring sandwiches.

We hope you enjoy the craft afternoon and the school meals and that you may have one even if your child has a packed lunch.

To book a lunch please log onto ParentPay and select the payment item relating to your child's class. Adult lunches are charged at £3.25. When booking, in the notes field you must specify which meal you would like; RED/GREEN/PURPLE/ORANGE/YELLOW. Please note you do not need to book your child's lunch, just the adult lunch. A copy of our School Menu is attached to this letter.

Deadline for bookings is **22<sup>nd</sup> March 2022**. We will not be able to add any bookings on after this date.

Many thanks for your support.

Yours sincerely

Kay Ferriday  
Head Teacher

**ALLERGY INFORMATION:**

If you would like to know about particular allergens in foods please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of cross contamination.
