# Design your own sustainable school

Draw your design for a sustainable school of the future below - remember to use labels so we understand all your brilliant ideas.

How is your school powered?

What is taught in your school?

How will you ensure everyone is able to access and learn at your school?

A large, empty rectangular box with a thin black border, intended for drawing the design of a sustainable school.

What do you want children to feel when learning at your school?

What food might you eat at your school?

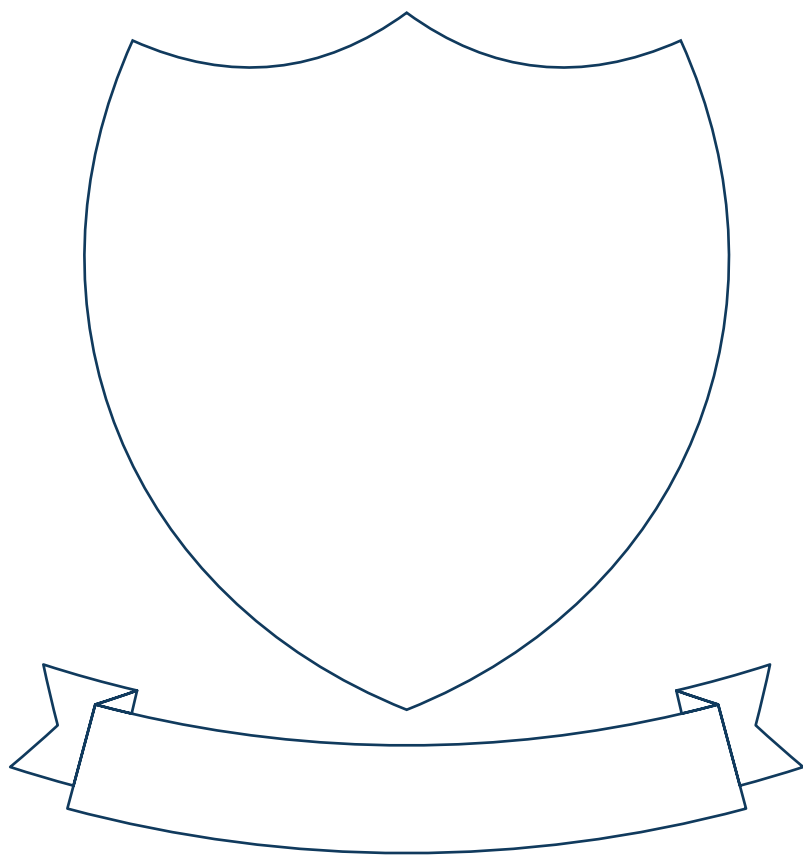

What technology would be used in your school?
